TEACHING ACTIVITY

THE SHARK IS COMING

Ict-exercises

Use the internet and find

- facts and information about: fish and other marine life forms in the Atlantic
- as many you can during the lesson
- remember to make a small answer book with your pictures.

The task:

- 1 Just describe a fish or some other thing from the sea with at least ten sentences.
- 2 Switch tasks and allow one of your classmates to solve the task by putting a correct picture to the information

You can also do the same task with fishes in lakes or rivers, or other oceans.
